The 15th Asia-Oceania Congress of Medical Physics  
Xi'an · China November 5-8, 2015

## Exhibition & Sponsorship

It is our great pleasure to announce that the 15th Asia-Oceania Congress of Medical Physics (AOCMP2015) will be held during Nov. 5-8, 2015 in the Kempinski Hotel of the historical-ancient capital city Xi'an of China. This mega scientific event is co-sponsored and organized by the Chinese Society of Medical Physics (CSMP), the Shaanxi Provincial Cancer Hospital, Shaanxi Province, China, and the North American Chinese Medical Physicists Association (NACMPA), under the auspices of the Asia-Oceania Federation of Organizations for Medical Physics (AFOMP), the American Association of Physicists in Medicine (AAPM) and the International Organization for Medical Physics (IOMP).

The Asia-Oceania Congress of Medical Physics (AOCMP) is an annual event where Medical Physicists and physicians from all corners of the Asian-Oceania region gather to share their knowledge. In 2007, the Chinese Society of Medical Physics (CSMP) successfully held the 7th AOCMP in Huangshan, Anhui province. AOCMP 2015 will be a big expansion and continuation of this conference.

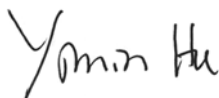

The contents will include radiation oncology physics, medical imaging physics, dosimetry, radiation protection, biological effects of radiation, nuclear medicine physics, Gamma knife, and new technologies in cancer research and cancer treatment, etc.

We are pleased to invite local and international companies to sponsor and/or exhibit at AOCMP 2015. The Exhibition provides you with the valued opportunity to engage one on one with new and existing clients and promote and demonstrate the goods and services you offer to the industry.

The layout of meeting rooms and exhibition hall is attached. Each booth is 3m x 3m in space. The cost is 35,000 RMB or 5,000 USD for each booth. To make an application for sponsorship or exhibition, please contact with the secretariat by **August 31, 2015**.

Looking forward to having you in Xi'an!

**Professor Yimin Hu**

President of AFOMP

Chairman of COC of AOCMP 2015
